Assignment Instructions & Submission Guidelines

Dear Learners,

Please read the following instructions carefully before starting your assignment. Failure to adhere to these guidelines may result in a loss of marks or rejection of your submission.

1. Core Requirement: Handwritten Only

- **Medium of language**: Either English or Malayalam
- **Method:** The entire assignment **must be handwritten** by you.

4. Digital Scanning & Submission Process

Since this assignment is being collected online, you must convert your handwritten pages into a high-quality digital format:

1. **Scan:** Use a mobile scanning app (such as Adobe Scan, Microsoft Lens, or CamScanner etc.) to take clear, top-down photos of your pages. Ensure there are no shadows or blurry text.
2. **File Format:** Compile all scanned pages into a **single PDF file**. Do not submit multiple individual image files (JPG/PNG).
3. **File Naming Convention:** Name your PDF file strictly in the following format to avoid confusion:

   `[Your PNR Number]_[Your Name.pdf]`

(Example: 0000000000000000 XYZ*.pdf)*

4. **Upload:** Submit the single PDF file through the designated assignment link on our online portal before the deadline.

5. Deadlines and Plagiarism

- **Deadline:** 25/07/2026.
- **Academic Integrity:** While you can research online or from textbooks, the phrasing must be entirely your own. Plagiarism or copying from a classmate will result in an automatic score of zero for all parties involved.
